Closed Session

The General Secretary presented the first agenda and highlighted the Executive Committee's achievements, highlighting;

Agenda 1: Annual Progress Report Presentation and Endorsement (FY 2082/83).

The SEBS Executive Committee's most recent annual term was driven by an unwavering commitment to three overarching priorities: deepening alumni ties, strengthening Budhanilkantha School (BNKS), and responding swiftly to pressing national and community needs. Through strategic outreach, substantive financial contributions, and targeted civic initiatives, SEBS built a more connected global network while delivering direct, measurable support to its alma mater and the wider society.

Member Support

SEBS markedly expanded its reach beyond the Kathmandu Valley through a nationwide campaign that established Provincial Coordinating Committees and hosted Meet & Greet events across six provinces. Local engagement was further reinforced by the SEBS Meet & Greet 2025 in Kathmandu and a specialized Banking & Market Makers Networking Event featuring an industry panel. Global and digital connectivity remained strong through a Batch Representatives Virtual Meeting and an international interaction session connecting Executive Committee members across North America, Europe, Australia, Japan, and India. Member engagement was also enriched through recreational gatherings such as the World Cup Watch Party and health-focused initiatives, including free online and in-person mental health guidance sessions organized with Hopeful Horizons.
